

Keeping kids safe!

Internet basics

Being safe online

Activity

Watch the video **Safe internet use**

Discussion

What does it mean to be 'safe' online?

Being 'safe' online means...

True **False**

Sharing your password if someone asks nicely

Believing everyone tells the truth on the internet

Accepting a friend or chat request from someone you've never met in real life

Having private account settings on

Talking to an adult if you feel uncomfortable

Sharing all your personal details (address, school, age, phone number)

Turning off location services for photos that are posted online
